CONSTANTIA KLOOF NORTH RESIDENTS AGAINST CRIME

A member of the Honeydew CPF

2011 MEMBERSHIP DRIVE

CKN wants you as a member !

Dear CKN resident

During the course of April and May we wish to go on a membership drive and grow our numbers and also look at some fund raising.

Things are generally quiet in the area and I would like to think that despite some hiccups, we can be satisfied with our efforts in the fight against crime. In May 2011, the association will be 14 years old. It has been some time since we went on a membership drive and have relied on residents to contact us or the Aqua car riding around to sell the association. If you are getting this mail and are not a member, please join. There is strength in numbers and only by growing our membership numbers will we remain sustainable.

Admittedly everyone living in CKN benefits from the activities and efforts of CKN by amongst other things, a 24 car riding around – proactive security – and increased or sustained house prices as the area is also maintained.

ARE YOU A MEMEBR?

In the ideal world we would not have to look after our own safety our area maintenance and it is a sad fact of today that we need to be proactive and look after our neighborhood. It is of no use pointing fingers but rather for one to get involved and take a stand against crime and lack of service delivery.

So are you a member? If not, please join us. You may contact me on the details below and I will gladly pop around and meet you and fill you in on who and what CKN is and does.

At present the monthly subs go largely to paying for the 24 hour patrol car riding around. Everyone in the area knows the car. We fly close to the wind with our monthly income and so we need to do some fund raising.

Subs remain at R100 per month or whatever is affordable. I would like you as a member at any contribution.

We have made use of a garden service to assist with some cleaning in the area and also the services of a gardener. He mainly picks up litter in the area.

It is sad to see how people dump in open areas, litter and show little regard for their neighbors. We recently had a house front cleaned as it had become overgrown and filthy. Rats had also become a problem but the biggest issue were the two suspects caught robbing the house and who had possible been living in the house for some time! Do you know your neighbors?

We would also like to buy the Aqua drivers a digital camera to tackle photos of suspicious cars. We also need new stickers for all those that live in the area. And we need to fix a fence!

Our target is R 10 000 in the next two months. Sounds a lot but we have 501 families as part of CKN. Divide that up and we are not asking much.

Formed 1st May 1997 John
Donne**

Crime for the year as at end of March stand at 6 incidents.

January

Burglary – Boomgom Street

Burglary – Worsboom Street

February

Burglary – Constantia Drive

Car stolen – Worsboom Street

March

Burglary – Constantia Drive (neighbor to house burgled in February)

Burglary – Constantia Drive – house of Feb burgled again

I trust the arrest of the suspects in Bloubos will see an end some of our problems. At the time of writing they were still in custody and due to appear in court.

As always, I must ask that you please get onto our email distribution list for the area. We send out mails immediately something occurs. Our website has all the news downloaded to it so if you need to catch up, please visit our site. We do send out a regular newsletter in print but this news is old by the time it gets to you.

House keeping.

Businesses from home. We have numerous businesses being run from home. Please do not impose on your neighbors and be mindful that this is a residential area. For those that are unhappy with noise or the like, we have many by-laws in place so please make use of these.

Barking dogs. Again please be mindful of your neighbors.

Wednesday is dirt bin day. Please do not put out your bin days before or leave it standing out days after collection. The SAPS have picked up the linkage between bins standing out and burglaries. Do not make yourself a target by leaving the impression you are not at home.

The health department has been contacted about the open area that was the old caravan park. It has become overgrown, rats have moved and the area is also a get away for muggers. Warn your domestic about walking past the area. Again, a pity residents have started dumping here.

I think this is all for now. Have a Happy & Safe
Easter

Remember, CKN wants you as a member.

Yours in community
John Baisley
